- 3> The landing page for users will vary in its look. It should look something like this for most users, depending on authorities. Navigate from here to “Course Review” and other items. Course Review is where you vote on courses, submit new courses, and work with courses that have been called for review or that have had decisions made by panels.

The screenshot displays the iManage web application interface. At the top, there is a dark blue navigation bar with the text "MyCreditsTransfer", "iManage", and "Home". Below this, a light blue header contains the text "iManage Home | | IAI Contact Information | Log Out".

On the left side, there is a vertical navigation menu with the "iManage" logo. The menu items are: "Course Review" (with a plus icon), "Panel Vacancies", "Account Settings", "Intitutional Contacts", and "Log Out".

The main content area features a blue banner that says "Welcome to iManage!". Below this, a message reads: "Welcome Krista Jackson, You last logged in on Tuesday, February 6, 2018 at 12:33 PM".

A table titled "iManage User options" lists the following items:

iManage User options
Course Review
End/Change A Course
Database Reports/Statistics
Panel Vacancies
Request Panel Membership
iManage Account Settings
View My iTransfer Assignments (Panel membership)
IAI Contact Information
Sequenced Courses Submission Status

Below the table, there is a section titled "Upcoming iTransfer Meetings" with a horizontal line underneath. The text "You currently have no upcoming meetings." is displayed in red.
