

Logging Into iManage

1. Visit the IAI iTransfer home page at itransfer.org
2. Go to the bottom of the landing page and find the iManage button in the dark gray box at the bottom. The button is on the upper right side next to the IAI Calendar button. Click the button.

Note: You can find your panel meetings on the IAI calendar. The meetings are added to calendar for the next year in the fall.

3. Enter your email and password. To see what you typed, click “View Password.” Click the “Login” button when you are ready. If you forgot your password, click the link.

4. On the Forgot Password screen, enter the required information. You will then receive an email with instructions on how to reset your password.

Logging Into iManage

5. Your landing screen will look similar to this when you login. The options shown here are dependent on the roles you fulfill for IAI at your institution. This page will tell you what your assignments are, when your term may expire, and when and where your next meeting is. If you have multiple meetings upcoming, they will all be listed there.
